For over a quarter century we have fulfilled our mission -

To promote healing and wholeness in mind, body, spirit, and community for individuals, families and organizations in convenient locations throughout metropolitan Denver.

Our goals are:

To provide professional, affordable psychological counseling and testing that integrates the religious and spiritual resources of those served, and promotes the well-being of families, couples, and individuals of all ages.

To consult with organizations, businesses, and congregations to identify needs and facilitate optimal functioning.

To provide services to clergy and congregations that nurture healthy relationships.

To offer educational groups, classes, seminars, and workshops to clients, the professional community, and the general public to enhance skills for healthy living.

To train our professional staff to incorporate a client's spiritual and religious resources, if requested, into the counseling, consultation or educational experience.

CENTUS CONSULTING

CENTUS professional staff members provide **Business Consulting, Career Coaching, Executive Coaching, Organizational Development and Lifeskills Coaching.**

Our **Business Consulting** division addresses the "people side" of the workplace and offers services designed for :

- small to moderate sized businesses
- closely-held corporations
- professional service firms
- academic institutions
- government agencies
- congregations
- non-profit organizations

CENTUS staff offers a wide range of programs:

- change management
- aligning culture with strategy
- leadership development
- team/staff enrichment
- productive communications
- untangling family dynamics & business decisions
- achieving fruitful work relationships
- organizational development

CENTUS **Career Coaching** is a service that guides career transition candidates through various aspects of identifying a viable career, discovering the "hidden" job market, and promoting one's skills. This program includes state-of-the-art career assessments, the latest strategies in uncovering jobs & the most proven and effective ways for presenting your skills and abilities to employers.

Susan McDonald Geissler
Administrative Office: 303-639-5240 ext. 18

CENTUS EDUCATION

Progress in our lives - our careers, families and marriages - takes personal effort. Seeking counseling or training to handle real life issues is often the first step in learning how to discern real needs, work effectively, set goals and find a healthy balance in life. Our professional staff works with you to help you discover your path of progress through a wide variety of experiential classes, seminars, workshops, and conferences.

Additionally, CENTUS offers training internships for student therapists through several local professional schools.

CENTUS Education offers:

PCS Pastoral Care Specialist Training Program:
An 11 week course for professional and lay pastoral care-givers in the theory and practice of brief supportive pastoral care and counseling.

FEEDING THE SOUL

An annual interfaith spiritual growth conference encouraging a variety of care providers: clergy, care ministers, parish nurses, & others wishing a faith-based educational experience.

CENTUS Community Wellness Forums—exceptional educational experiences held in our satellite office/congregations to bring topics of interest to the people in communities we serve throughout metropolitan Denver.

Year Round Workshops
Support Groups
Monthly Mental Health Educational Opportunities

Our professional staff is available to present educational experiences to your organization.
